

Compulsory:

Introduction to Quantum Field Theory

Physics Laboratory I

Physics Laboratory II

English Language

Condensed Matter Physics

Soft and Biological Matter

Theoretical Biophysics

Biophysics

Choice:

Computing Methods for Physics (Canale De Michele)	1 Semestre
Statistical Mechanics and Critical Phenomena	1 Semestre
Physics of liquids	2 Semestre
Meccanica statistica del non equilibrio	2 Semestre
Advanced Machine Learning for Physics	2 Semestre

or for a less computational and more bio

Computing Methods for Physics (Canale De Michele)	1 Semestre
Biochemistry	1 Semestre
Physics of liquids	2 Semestre
Meccanica statistica del non equilibrio	2 Semestre
Molecular Biology	2 Semestre
